CIRCULAR TO SHAREHOLDERS OF
UBS (IRL) ETF PLC – MSCI EUROPE ESG UNIVERSAL LOW CARBON SELECT UCITS ETF
A SUB-FUND OF
UBS (IRL) ETF PLC

6 November 2023

Proposed Merger of UBS (Irl) ETF Plc – MSCI Europe ESG Universal Low Carbon Select UCITS ETF (the “Merging Fund”) into UBS (Irl) ETF Plc – MSCI EMU ESG Universal Low Carbon Select UCITS ETF (the “Receiving Fund”)

Dear Shareholder,

We are writing to you as a Shareholder of the Merging Fund to outline the proposal to merge the Merging Fund into the Receiving Fund.

It is proposed that, subject to your approval, the Merger will be effected in accordance with the UCITS Regulations and that this will take place on the Effective Date.

The approval by 75% of votes cast by Shareholders present (in person or by proxy) at the Merger EGM is necessary in order for the Merger to take effect.

You will find, in Schedule C, a notice convening the Merger EGM together with a related proxy form which will enable Shareholders to vote at the Merger EGM by proxy rather than in person.

Shareholders who cannot attend in person are urged to complete and return the proxy forms as soon as possible and in any event no later than 10 a.m. (Irish time) on 29 November 2023.

It is a requirement of the UCITS Regulations that the Merging Fund and the Receiving Fund draw up common terms on the proposed merger (the “**Merger Terms**”), which are approved by the Directors. The Merger Terms have been provided to the Central Bank and are incorporated into the items below, along with other pertinent information in relation to the Merger.

1. Background to and rationale for the Merger

The Investment Manager has advised the Board that since the growth potential of the Merging Fund is limited, it has become increasingly difficult to maintain the economic viability of the Merging Fund. Following due consideration, the Board, together with the Investment Manager, identified the Receiving Fund as the most suitable sub-fund of the Company which, while presenting broadly similar investment objectives and policies as the Merging Fund, will improve value and operational efficiencies as well as progressively reduce the total expense ratio of the Merging Fund in the best interests of the Shareholders.

As the Merging Fund and Receiving Fund are part of the same umbrella, i.e., the Company, the same Investment Manager, Depositary and Administrator provide services to them. This commonality of service providers ensures a low risk merger process and strong continuity of service for underlying investors.

If approved by the Shareholders, the Merger will result in such Shareholders directly holding New Shares in the Receiving Fund. The Board believes that the long term interests of Shareholders are best served through the merger of the Merging Fund and the Receiving Fund.

2. Proposed Merger and the likely impact on Shareholders in the Merging Fund

a. Transfer of assets

The Merger will involve the transfer of the net assets of the Merging Fund to the Depositary to be held on behalf of the Receiving Fund in exchange for the issue of New Shares in the Receiving Fund to Shareholders on the Effective Date. Shareholders are referred to Schedule A which sets out the New Shares which will be issued following the Merger. The New Shares issued will correspond to Existing Shares held by Shareholders in accordance with Schedule A.

b. Accrued Income

The actual and estimated income (if any) of the Merging Fund available for allocation to Existing Shares will be allocated to, and reflected in, the net asset value of Existing Shares, so that no income property is transferred on the implementation of the Merger.

c. Impact on holding

Under the terms of the Merger, Shareholders will receive New Shares having an equivalent value to the value of their holding of Existing Shares on the Effective Date.

The net asset value of the Merging Fund on the Effective Date will be calculated in accordance with the Prospectus and the Constitution. The valuation methodology for the assets of the Merging Fund is the same as that of the Receiving Fund. Dealings in the Existing Shares will continue until the Last Dealing Time.

The exchange ratio used to calculate the number of New Shares a Shareholder will receive in the Receiving Fund shall be based on the net asset value per share of such class of Existing Shares in the Merging Fund relative to the net asset value per share in the corresponding class of shares in the Receiving Fund as calculated at the Effective Time on the Effective Date (the “**Exchange Ratio**”).

The Exchange Ratio shall then be applied to the number of shares held by each Shareholder in the Merging Fund to calculate the number of New Shares they are to receive in the Receiving Fund.

The net asset value per share in the Merging Fund and the net asset value per share in the Receiving Fund will not necessarily be the same. Therefore, while the overall

value of a Shareholders' holding will remain the same, such Shareholder may receive a different number of New Shares than the number of Existing Shares the relevant Shareholder previously held.

d. Impact on risk profile

The summary risk indicator (SRI), which is set out in the KID for a UCITS, is a measure of a fund's historic volatility. The SRI is not a measure of capital loss or gains, but of how significant the rises and falls in the fund have been historically. For example, a fund whose price has experienced significant rises and falls will be in a higher risk category, whereas a fund whose price has experienced less significant rises and falls will be in a lower risk category. The SRI for the Merging Fund is 4 and the SRI for the Receiving Fund is 5. SRI categories should be viewed as an approximate guide where 7 is most risky and 1 is least risky (lower returns but lower risk).

e. Impact on rights of Shareholders of the Merging Fund

Schedule B of this document includes a comparison of the key characteristics and differences of the Merging Fund and the Receiving Fund.

It is anticipated that operating costs of the Receiving Fund should decrease following the Merger due to the potential for fixed costs to be spread among a wider base of investors.

By participating in the Merger, Shareholders are deemed to agree that all representations, warranties, indemnities, confirmations and declarations provided by Shareholders in existing subscription forms shall be deemed to be provided to the Receiving Fund as if the subscription forms had been addressed directly to the Receiving Fund and provided by the Shareholders as such at the Effective Time.

The procedures that apply to the dealing, valuation, subscription, redemption, exchange and transferring of Shareholders' holdings are the same between the Merging Fund and the Receiving Fund.

f. Costs and Expenses of the Merger

Expenses in relation to the implementation of the Merger (which shall include the costs of the Merger EGM (including any adjournments), legal, accounting and administrative costs) shall be borne by UBS Asset Management Switzerland AG and not the Company. The Merging Fund will incur any dealing costs arising from the rebalancing of the portfolio in anticipation of the Merger.

No subscription fee will be levied in respect of New Shares to be issued.

g. Rebalancing of the Portfolio

There is not expected to be any material impact on the Receiving Fund's portfolio as a result of the Merger and there is not expected to be any rebalancing of the Receiving Fund's portfolio either before or after the Merger takes effect.

3. Main similarities and differences between the Merging Fund and the Receiving Fund

A table highlighting the main similarities and differences between the Merging Fund and the Receiving Fund is included at Schedule B.

4. KID

A copy of the KID of each share class of the Receiving Fund is attached with this Circular

under Schedule D. Shareholders are encouraged to read the relevant KID, which contains information on the essential features of the share classes of the Receiving Fund.

5. Procedures for and at the Merger EGM

An extraordinary general meeting of the Shareholders is being convened for 29 November 2023 in order to consider and vote on the proposed Merger. The Notice of the Merger EGM is set out in Schedule C to this Circular and includes the Merger Resolutions to be proposed at the Merger EGM. Shareholders will be notified promptly by the Administrator of the outcome of the Merger EGM.

The implementation of the proposed Merger for the Merging Fund is conditional upon the Merger Resolution being duly passed as a special resolution of the Shareholders in the Merging Fund. To be passed as a special resolution, the Merger Resolution must be carried by a majority of not less than 75% of the total number of votes cast in person or by proxy at the Merger EGM. The quorum for the Merger EGM is one (1) Shareholder present at the Merger EGM in person or by proxy. If a quorum is not present for the Merger EGM within half an hour (30 minutes) from the time appointed, the Merger EGM will be adjourned to the same day of the following week or such other day, and at such other time and place, as the Directors may determine. The date, time and place of an adjourned Merger EGM will be notified to Shareholders by the Administrator.

6. Shareholders who do not wish to take part in the Merger

If the Merger Resolution is duly passed at the Merger EGM, Shareholders who do not wish to take part in the Merger must request the redemption of their Existing Shares prior to the Last Dealing Time. Redemption requests received prior to the Last Dealing Time will not be subject to a redemption charge (other than those retained to meet disinvestment costs (as the case may be)). Shareholders may also exchange their Existing Shares into shares in another sub-fund of the Company, in accordance with the terms of the Prospectus and the Constitution, free of charge (other than charges retained to meet disinvestment costs (as the case may be)), on or before the Last Dealing Time. Otherwise, in the event that the Merger proceeds, such Existing Shares will automatically form part of the Merger.

7. Dealings in Existing Shares prior to the Merger

Trading of the Existing Shares on the relevant stock exchanges will be suspended on the morning of 4 December 2023. Investors on the secondary market may redeem or exchange their holdings up to 4.30pm on 1 December 2023.

Dealings by the Shareholders in the Existing Shares will cease at the Last Dealing Time.

Shareholders will have the right to request a repurchase of their Existing Shares without charge from the date of this Circular up to the Last Dealing Time.

Subscription requests received prior to the Last Dealing Time will be processed in accordance with the Prospectus. In the event that subscription requests are received for the Merging Fund after the Last Dealing Time, such requests will be refused, and the applicant will be informed that the Merging Fund is closed for subscriptions. In the event that redemption or exchange requests are received for the Merging Fund after the Last Dealing Time, such requests will be refused and the holding of Existing Shares by the Shareholder will automatically form part of the Merger.

During the period between the date of issue of this Circular and the Effective Date, this Circular and the latest KIDs of the Receiving Fund shall be provided to each investor who subscribes into either the Merging Fund or the Receiving Fund or asks to receive copies of the fund documentation of either the Merging Fund or the Receiving Fund.

8. Temporary Suspension of Dealing in Shares

Regulation 63(2) of the UCITS Regulations permits a company to temporarily suspend subscriptions and redemptions of shares. The Company has sought the consent of the Central Bank to temporarily suspend the subscription or redemption of shares in the Merging Fund and the Central Bank has granted such derogation.

Accordingly, subject to the Merger Resolution passing, the Directors have resolved to temporarily suspend dealing in shares in the Merging Fund, in order to facilitate the implementation of the Merger. It is anticipated that the proposed dates of suspension will commence at 4.31 p.m. on 1 December 2023 on the secondary market and at 4.31pm on 8 December 2023 on the primary market and terminate at the Effective Time. The suspension will be notified to Shareholders by the Administrator.

9. Consequences of the Merger Resolution

If the Merger Resolution passes:

- a. it will be binding on all Shareholders on the register of members of the Merging Fund on the Effective Date, whether or not they voted in favour of the Merger Resolution, or indeed at all;
- b. trading of the Existing Shares on the relevant stock exchanges will be suspended on the morning of 4 December 2023;
- c. Investors on the secondary market may redeem or exchange their holdings up to 4.30pm on 1 December 2023;
- d. no further dealings in the Existing Shares will take place from the Last Dealing Time, the register will be closed and the Existing Shares shall cease to be of any value or effect (subject to the terms of the Merger) after the Effective Time;
- e. the net assets of the Merging Fund will be transferred to the Receiving Fund in exchange for the issue of New Shares to Shareholders;
- f. Shareholders will be issued with New Shares in the relevant share class having an equivalent value to their holding of Existing Shares immediately prior to the Effective Time without any further action on their part (but the number of New Shares to be issued to each Shareholder in exchange for Existing Shares will not be known until the Effective Date);
- g. the Merging Fund shall cease to exist on the entry into effect of the Merger, in accordance with Regulation 66(1)(c) of the UCITS Regulations;
- h. confirmation of the holding of New Shares in the Receiving Fund will be sent to Shareholders within twenty-one (21) days of the Effective Date; and
- i. Shareholders who form part of the Merger and receive New Shares in exchange for their Existing Shares will be able to exercise their rights as shareholders in the Receiving Fund as and from the first dealing day for dealing in the New Shares.

10. Tax Advice

It is important that Shareholders determine their own tax treatment, as there may be a change as a result of and/or following the Merger, and carefully consider obtaining appropriate tax advice in respect of the Merger.

11. Review by an Independent Auditor

In accordance with the UCITS Regulations, the Independent Auditor has reviewed the Merger Terms and has validated the calculation methodology of the Exchange Ratio.

Following the Effective Date, the Independent Auditor will validate the actual exchange ratio determined at the date for calculating that ratio and will prepare a report with details of its findings in relation to the above which will be available to the Shareholders and Receiving Fund Shareholders, free of charge, upon request to the Company Secretary. A copy of this report will also be available to the Central Bank.

12. Documents available for inspection

The following documents are available on request from, or are available for inspection at, the registered office of the Company at Second Floor, 5 Earlsfort Terrace, Dublin D02 CK83, Ireland during normal business hours Monday to Friday (public holidays excepted) from the date of this Circular until the time of the Merger EGM (or any adjournment) and, if the Merger Resolution is passed, up to and including the Effective Date:

In particular, FDI may be used for the purpose of minimising differences in performance between the Fund and the relevant Index, ie, the risk that the Fund return varies from the Index's return. Although FDI will be inherently leveraged, the primary purpose of the use of FDI is to minimise as far as possible the difference in performance between the Fund and the Index and, while the Fund will be leveraged (calculated under the commitment approach as set out in the "Risk Management" section below) as a result of its investments in FDI, such leverage will not exceed 100% of the Fund's total Net Asset Value at any time.</p> <p>The Fund, subject to the restrictions imposed on the use of FDI described in the Prospectus and by the UCITS Regulations, may buy and sell futures contracts to either create exposure or reduce exposure to various securities included in the Index or to reduce certain aspects of risk inherent in specific trades. <p>Description of Index</p>	<p>The Index draws its constituents from the MSCI Europe Index (the "Parent Index"), being an equity index calculated, maintained and published by international index supplier MSCI® and denominated in Euro. The Index tracks the total return net dividend performance of large and mid-capitalisation companies across European developed market countries as further described at https://www.msci.com/developed-markets.</p> <p>The Index is designed to reflect the performance of an investment strategy that, by tilting away from free-float market cap weights, seeks to gain exposure to those companies demonstrating both a robust Environmental, Social and Governance (ESG) profile as well as a positive trend in improving that profile, using minimal exclusions from the Parent Index.</p> <p>The Index constituent selection is based on research provided by MSCI ESG Research which provides research, ratings and analysis of ESG-related business practice. The Index Provider excludes companies facing controversies (MSCI Red Flag, being an indication of at least one very severe controversy), companies which have a poor ESG Rating (rating of CCC), companies which have revenues in certain business activities (controversial weapons, nuclear weapons, civilian firearms, tobacco, thermal coal, fossil fuel extraction), as well as the top 5% companies by number based on carbon emission intensity levels (being scope 1 and 2 emissions as categorised by the Greenhouse Gas Protocol) up to a cumulative weight of less than 30% of the weight of that sector in the Parent Index. The Combined ESG Score of a company is determined by multiplying the ESG Rating Score by the ESG Rating Trend Score.
